

## On-Line Training for Chinese Workers

### Verité's new web-based Worker Training Center

#### Provides workers:

- Knowledge, skills and mechanisms to identify and participate in resolving work place issues
- Life skills and information to protect their personal health, safety and opportunities

#### Provides suppliers:

- Cost-effective worker training on rights, responsibilities, wellness and other worker-chosen topics that improve worker satisfaction and performance
- Support for worker-management communication and grievance resolution

#### Content:

- Verité is currently offering **10 modules** on worker-selected life skills and labor topics that 'teach' through entertainment.
- The modules, in **cartoon and live video formats**, feature recurring characters who illuminate issues and their solutions with humor and personal appeal in everyday factory situations. Interactive prompts measure student reactions, understanding and commitment to new behaviors.

**Access:**

- Workers register on Verité’s **Worker Training Center** <http://tr.verite-china.org/>
- Users stream the modules from the website or via a mobile phone app.
- Mobile outreach refreshes learning and assesses impact over time.
- Training impact reports are provided to sponsors.

**Price:**

- The cost per module per worker ranges from US\$0.50 to US\$2.50 based on volume. Contact us for a custom package price.

Full courses may be viewed by request.
