

Forced Labor Indicators Project Technical Working Group

The Technical Working Group (TWG) brings together representatives from government ministries, employer and employee organizations, and civil society. The group provides a forum for validation and oversight of project activities as well as an opportunity for coordination of each institution's activities to combat forced labour. Institutions participating in the TWG include:

- [Ministry of Employment and Labour Relations](#)
 - Child Labour Unit
 - Employment Information Branch
 - Policy, Planning and M&E
 - Department of Factories Inspectorate
- [Ministry of Gender, Children and Social Protection](#)
- Ghana Police Service
